She got a bubble gum cap with a Gucci dat's snappin'
With some rhino legs and a booty that's flappin'
With some fire, oh head 'cause you know we love
cappin'
Got her toes done up with her fingernails matchin'

Here dat big ol' *** that you're walkin' cross the street
with
Peep this for a happy meal can I squeeze it
Till it go pop, make the juice start to runnin' out
Greasy lips, thick like a moose what I'm talkin' 'bout

Them freaky freaks I heard on the loose, let ya pockets
out
Got trick *** watchin' your caboose with they wallets
out
You should stop, lil' somethin', somethin' bad to tha
bone
That ain't a monkey hangin' off ya back that's Donkey
Kong

Good googly moogly, that thang is juicy
Good googly moogly, that thang is juicy
Good googly moogly, that thang is juicy
Good googly moogly, that thang is juicy

Good googly moogly, that thang is juicy
Good googly moogly, that thang is juicy
Good googly moogly, that thang is juicy
Good googly moogly, that thang is juicy

How you gon' prance around with all that sayin' you

ain't all that
Everybody at ya wanna hit ya like a ball bat
That thang make ya look back, be like man who is that

You can see a hiny on a hiny I'm pursuin' that

A dirty south hoody rat tryin' to hold goodies back
Waist like a wasp, *** cheeks pokin' really fat
I'm Crown Vic old school, squeezin' on her boo, boo
Hugged up, pokin' in her brains so what ya wanna do

Nice tats on ya body, liquor comin' out ya pores
Weed stench ya ain't right, G-string for some drawers
You can call me Mr. Whipple, I won't do no harmin'
Never to the Charmin, come holla at me woman

Good googly moogly, that thang is juicy
Good googly moogly, that thang is juicy
Good googly moogly, that thang is juicy
Good googly moogly, that thang is juicy

Good googly moogly, that thang is juicy
Good googly moogly, that thang is juicy
Good googly moogly, that thang is juicy
Good googly moogly, that thang is juicy

I'm a P I M P with diamonds all in my teeth
I step in the light man, my mouth be shiny
A ghetto star in the street, the shoppin' and cuttin' the
ki's
They all wanna get with me, these girls be beggin'
please

They call me the juice man, I love a striptease
A girl with a lot of ***, that's down to hit her knees
Yeah, I beat that thang like it stole somethin' never let
her hold somethin'
Put the staff in her mouth, claimin' that she owe
somethin'

Show 'em somethin' mean on the scene
When I first seen them jeans, teamed with that booty
it's a dream team
Make me go go, up and down like a yo yo
But I had to pop her blue 'cause I'm on that Tonio
Montana

Good google moogly, that thang is juicy
