How it goes in this gutta, how it goes in this gutta  
It can all end while ya tryin' to getcha butta  
How it goes in this gutta, how it goes in this gutta  
It can all end while ya tryin' to getcha butta

How it goes in this gutta, how it goes in this gutta  
It can all end while ya tryin' to getcha butta  
How it goes in this gutta, how it goes in this gutta  
It can all end while ya tryin' to getcha butta

So this is how it ends? Hype standin' over my carcass  
Snatchin' up my \*\*\*, runnin' off into the darkness  
Hyde Park, \*\*\*, Hollywood, killin' for war just  
\*\*\* bein' sold, out the back, do' of them porches

Told my lil' \*\*\* leave the paint, off of the Caddy  
Carjacked and killed, his lil' girl, left with no daddy  
Ten years later daddy's death, still goin' home  
The saw was bein' drought, momentarily buy \*\*\*

Rock, after rock is bein' slung, babies are hungry  
Mama's debit card is zero, I got the moment  
Trappin' in this trap, cold hearted guns that'll kill ya  
Smith and Wesson hollow tips, shredder mayne that'll  
drill ya

How it goes in this gutta, how it goes in this gutta  
It can all end while ya tryin' to getcha butta  
How it goes in this gutta, how it goes in this gutta  
It can all end while ya tryin' to getcha butta

How it goes in this gutta, how it goes in this gutta  
It can all end while ya tryin' to getcha butta  
How it goes in this gutta, how it goes in this gutta  
It can all end while ya tryin' to getcha butta

Standin' in the doorway, hand on the throw way  
Some \*\*\* ride by, I spy lookin' my way  
Shady looks don't make sense, so I got on defense  
Mossberg cocked mayne turn yo' flesh to meat mince

Poppin' off at the first sign of some static

Gotta keep it safe for the \*\*\* and the addicts  
We swangin' these boat loads, dodgin' the po', po's  
Duckin' time on this crime, mission out a boat load

Don't know, if we have to blast or get blasted  
\*\*\* \*\*\* blow ya skull off, it was drastic  
You \*\*\* don't, really want beef, you can sang it  
The real question is coward will ya brang it?

How it goes in this gutta, how it goes in this gutta  
It can all end while ya tryin' to getcha butta  
How it goes in this gutta, how it goes in this gutta  
It can all end while ya tryin' to getcha butta

How it goes in this gutta, how it goes in this gutta  
It can all end while ya tryin' to getcha butta  
How it goes in this gutta, how it goes in this gutta  
It can all end while ya tryin' to getcha butta
