I have to run  
They follow me  
Inside and outside  
Of the realm  
They are on the hunt  
No place to hide  
I am the victim  
Total loss of pride  
Some believe in magic  
Some believe in stones  
Some believe in god  
Some believe in loans  
I believe in me and  
I believe in you  
I am on the run  
There is nothing left  
To do  
I am on the run  
There is no place for me  
I am the victim  
There is no charity  
All because of you  
Do you understand  
Thanks for my present  
You've had it in your hand  
Trust means nothing here  
I have to run  
Justice means nothing here  
I have to run  
Wishes mean nothing here  
I have to run  
Freedom means nothing  
I have to hide
