On that ATL tattle tale to my bizurbs  
Say you saw me with anotha gal now don't be scared  
Man you might as well throw in your towel youse a fake

Face to face I shoot you in your mouth  
Cuz ain't no love say you from the north memphis ten  
but I doubt that  
Stick ya'lls noze in others folks affairs we ain't bout that  
Weak motherfucker wanna stare when you see me  
Couldn't wait to snitch punk  
Bitch you wanna be me  
Gotta pay some dues but my shoes to big for ya  
Don't be out here trying to claim my hood I don't know

Turn state niggas ask if you was a roller  
Police ass nigga watch your mouth I done told ya  
Weak ass boy

[CHORUS]

If you ain't from my hood you can get from round here  
[X4]

I don't know them niggas [X2]  
I don't fuck with them niggas  
I don't know them hoes  
I don't fuck with them hoes

Still out to get paid down for lucha leray  
Fuck all the bullshit and he say she say  
Those who oppose me shall get no leway  
Lying on real niggas end up in gun play  
Punk mutherfucker you gonna hear this and feel me  
Smile in my face really wanna kill me  
Thats if you had heart to pull the trigga  
Catcha murda charge I don't think so my nigga  
Weak ass hoes play games like they killas  
Always runnin mouth braggin on they niggas  
Cyber Gardens did and I did not have no dough  
No fresh clothes cuz a playa was real poor  
I was locked up 2-0-1 wearing bo bo's  
Playin dominos shooting dice big ol afros  
Now I'm on the town and I'm layin the smack down  
Nigga I ain't you best to check my background

[CHORUS]

If you ain't from my hood you can get from round here  
[X4]

I don't know them niggas [X2]  
I don't fuck with them niggas  
I don't know them hoes  
I don't fuck with them hoes

[DJ Paul]

Man I'm tired of playing with cha boyz  
Think its time I kill you boyz

Man fuck some 20's I'm lo key  
Lookin for y'all cowards cuz y'all talking out the side of  
your mouth  
Knowin that the Triple 6 is one of the hardest rappers  
out

I've been got the crown those that ain't down get run

[Juicy J]

Talking bout that nigga wrong talkin bout what cha
