I run so slow  
No one hears and no one  
Sees my moves  
And i drink so slow  
My twins will break up inside  
Nothing sounds like it  
And feel too cold  
To turn around  
You can feel it if you try  
When you are looking inside of me  
Don't move fast away from me  
You would agree  
If yor were me  
My killing instinct will kill you  
If you don't care about what i do  
I fall so deep  
I can't resist  
When you 're aslep  
Fall torture  
Mirror of infinity  
I fall so deep  
I can't resist when  
You're asleep  
This pain is so sore  
I'll eliminate no more  
This pain is so sore i'll kill no more
