You know a nig can do what they wanna do out here
mane
But right now I advise nigga man
Stay off that Youtube, them choppas and them drugs
my nigga
Unless it's some video or something, you know what
I'm sayin?
So you can tell them folks you was usin props
Cos man you're my dog
Cos all these feds need is one scene with you with the
evidence in yo hand
It's enough rats out here putting good niggas away
doin the police job
You do not need to aid and assist
Listen to me man
Do not aid and assist the police
So you can catch your case my nigga
Don't do that, don't do that
Don't aid and assist the police man
It will get you locked up my nigga
