Limp bizkit - mission impossible 2 theme  
L attention in the world today  
All the little girls fillin up the world today  
When good comes to bad the bad comes to good  
But im gonna live a life like i should  
Now all the critics wanna hit it  
Shit can ever did it  
Because they don't get  
But i'll stay fitted  
Knew there committed  
Unless this red cap  
Gets a bad rap from his critics

Do we always gotta cry? (gotta cry)  
Do we always gotta be inside a lie (a lie)  
Life is just a blast  
Movin very fast  
Better stay on top  
Or life will kick you in the ass

Follow me into a solo  
Remember that, kid  
So what you wanna do?  
The way you wanna run  
When your starin down a cable  
Of a mic put it that you grill like a gun  
Limp bizkit is rockin the set  
Its like russian roulette  
When your placin your bet  
So don't be upset  
When your broke  
And your done  
Cuz im gonna be the one  
Til i jet

I know why you want to hate me  
I know why you want to hate me  
I know why you want to hate me  
Cuz hate is all the world that's even seen me  
I know why you want to hate me  
I know why you want to hate me  
Now i know why you want to hate me

Cuz hate is all the world that's even seen me  
Why you want to hate me  
Cuz hate is all the world that's even seen me  
Now you wanna hate me  
Cuz hate is all the world that's even seen me  
Now you wanna hate me  
Cuz hate is all the world that's even seen me

Does anybody really know the secret  
And the combination for this life and where they keep it  
Its kinda sad when you don't know the meaning  
But everything happens for a reason  
I don't even know what i should say  
Im an idiot a loser and a phone abuser  
I analyze every second i exist  
Beaten on my mind every second with my fist

Everybody wanna run (run)  
Everybody wanna hide from the gun (gun)  
You can take that ride through this life if you want  
You can't take that edge off that knife (no sir)  
And now you want your money back (money back)  
But your denied cuz your brains fried from the sac  
And there aint nothing i can do  
Cuz life is a lesson you'll learn it when your through

I know why you want to hate me  
I know why you want to hate me  
I know why you want to hate me  
Cuz hate is all the world that's even seen me  
I know why you want to hate me  
I know why you want to hate me  
Now i know why you want to hate me  
Cuz hate is all the world that's even seen me  
Why you want to hate me  
Cuz hate is all the world that's even seen me  
Now you wanna hate me  
Cuz hate is all the world that's even seen me

(now i know why..now i know why..now i know why)

Now i know why you wanna hate me  
Now i know why you wanna hate me  
Now i know why you wanna hate me  
Cuz hate is all the world that's even seen me  
Cuz hate is all the world that's even seen me  
Cuz hate is all the world that's even seen me
