Yeah, it's on for the 1999, Project Pat in this hoe
Putting this ghetto bump in ya speaker
Hypnotize done made it, you know the business hoe

Breaking down some reefa
Rolling up a sweeta
Riding through the streeta
Cheffing like heata

Reefa got me nizzoid
All because them blue boys
Searching by the nickel
Breath smell liquor

Mane it's Project Pata
Playa from the sizouth
Always pack the gata
Gold teeth in my mizouth

Hustle for the cheatah
Trying to make it betta
You respect the man
Or you gets a bloody sweata

Down wit' Paul and Juicy
Hypnotize the label
Hoe got get off my nut sack
And let go my ankle

Chopping up keya
Riding on twenty's
Don't you wanna be a
Playa just like me a

Hanging out wit' killas
Creeping on a come up
Like the ones before me
Dog I'm trying to blow up

I don't give a fizuck
Mane I want that cizap
From yo' baby mama

North Memphis on the mizap

North Memphis, North Memphis
Where dem killas hang
North Memphis, North Memphis
Where they workin'

North Memphis, North Memphis
Where dem killas hang
North Memphis, North Memphis
Where they workin'

North Memphis, North Memphis
Where dem killas hang
North Memphis, North Memphis
Where they workin'
