Ha ha, yeah, yeah, yeah, it's goin' down, down  
This for all my \*\*\* that be on that purple  
That purple, purple drank yeah, yeah, that purple \*\*\*,  
yeah, yeah  
Hypnotize minds, if you got it share that \*\*\*, it's goin'  
down

Who got that purple, pur-purple, pur-purple? Yes sir  
Who got that purple, pur-purple, pur-purple? Yes sir  
Who got that purple, pur-purple, pur-purple? Yes sir  
Who got that purple, pur-purple, pur-purple? Yes sir

Who got that purple, pur-purple, pur-purple? Yes sir  
Who got that purple, pur-purple, pur-purple? Yes sir  
Who got that purple, pur-purple, pur-purple? Yes sir  
Who got that purple, pur-purple, pur-purple? Yes sir

As I took me a pull, I knew that I wasn't ready  
I was used to s\*\*\*\*\* pine, not that California ghetty  
It was purple wit' them white fuzz hairs wrapped 'round  
it  
I'm known as a fighter but my match, I done found it

From Cali to the Memphis dime streets, that our town in  
I let some of my \*\*\* test it out and they crowned it  
You \*\*\* try to solve problems by smokin' \*\*\*  
But you only gettin' high and ya problems become big

But ain't nothin' but some Nike Airs comin' to a sleeper  
Ya girl got mad 'cause the Patsta had to leave her  
Looka, looka hooker so I let her hit my tree but  
Purple had her mind blowed, fallin' to her knees-a

Who got that purple, pur-purple, pur-purple? Yes sir  
Who got that purple, pur-purple, pur-purple? Yes sir  
Who got that purple, pur-purple, pur-purple? Yes sir  
Who got that purple, pur-purple, pur-purple? Yes sir

Who got that purple, pur-purple, pur-purple? Yes sir  
Who got that purple, pur-purple, pur-purple? Yes sir  
Who got that purple, pur-purple, pur-purple? Yes sir  
Who got that purple, pur-purple, pur-purple? Yes sir

Yes, I got that purple, that purple, that purple, yes sir  
That juice I'm sippin' is thick and got me itchin' for sure  
That \*\*\* I'm twistin' is sticky got my vision blurred  
You know a ounce of that syrup, speech be slurred

That's my word, I ain't a role model  
\*\*\* if it was up to Siegel, world be drinkin' purple  
bottles  
Of that promethazine, out in Philly they call it lean  
Or they call it liq', my \*\*\* from the Three 6 bought a  
sack

We sip that slow 'til we throwed that's my word  
A pint of that purp have you sittin' on the curb  
A mega trip or I'm on that liq' I'm trashin' 'em out  
We sip it 'til we passin' out, mo' syrup than the  
International House

Who got that purple, pur-purple, pur-purple? Yes sir  
Who got that purple, pur-purple, pur-purple? Yes sir  
Who got that purple, pur-purple, pur-purple? Yes sir  
Who got that purple, pur-purple, pur-purple? Yes sir

Who got that purple, pur-purple, pur-purple? Yes sir  
Who got that purple, pur-purple, pur-purple? Yes sir  
Who got that purple, pur-purple, pur-purple? Yes sir  
Who got that purple, pur-purple, pur-purple? Yes sir

Seeds, sticks and stems mixed in with the \*\*\*  
Tear up the \*\*\*, make roll-in', good tricky-tricky  
I used to \*\*\*, the weed with embalmin' fluid  
Had me high, for some days, you don't wanna do it

Eyes so red, I'm lookin' like a zombie  
Paranoid, not scared, very hungry  
Masterpiece, barbecue chips, skittles bag  
What, I'm munchin' on right after the last drag

\*\*\*'ll ride and get \*\*\*, with they tags out  
Police'll spy, pull 'em over with they badge out  
You know that's dumb, you got guns with the bags out  
The windows full of smoke, e'erybody passed out

Who got that purple, pur-purple, pur-purple? Yes sir  
Who got that purple, pur-purple, pur-purple? Yes sir  
Who got that purple, pur-purple, pur-purple? Yes sir  
Who got that purple, pur-purple, pur-purple? Yes sir

Who got that purple, pur-purple, pur-purple? Yes sir  
Who got that purple, pur-purple, pur-purple? Yes sir

Who got that purple, pur-purple, pur-purple? Yes sir  
Who got that purple, pur-purple, pur-purple? Yes sir
