Smokin' on the dank a shut ya mouth, I might pass  
Niggas off the heezy, fuck all at the fuckin' bar  
On the floor or in the parking lot they throw it out the

If they throw the wrong sign niggas better handle it  
Fuck goin' outside right here you gettin' wet

And you thinkin' I'ma let you disrespect this shit here

Before I blow a nigga ass off him and his hoe  
Ready to rob me a bitch and get the fuck out the do'

We up all night, we smokin' that shit  
Somebody run they mouth and then we bop on the  
bitch  
They called us niggas, we run in packs  
Some playa hate this skin because the color is black

We sag our jeans, the ride be clean  
Them twanky twin twins make them rims be mean  
We bracing ahead, we trust in the lead  
The fool we don't like is police and the Fed.'s

And if you violate get that tone to the head  
And if ya girl approach us we'll see her in bed  
I'll probably own her flick 'cause she ain't nothin' to us  
A neighborhood chewer hut, hood rat, slut

We people on the left and we folks on the right  
We throwin' up them thangs and we startin' them fights  
The swinging we be doin' is a ugly site  
We sleep in the morning and we come out at night

(Throw some 'bows, throw some 'bows)

Fuck around and get gun end, straight up out the pen  
From the mane with the sawed off, lay up off the Gin  
You can win if you squeeze first hollow points disperse  
You may leave in an ambulance or inside a hearse

Niggas curse when they get caught, then they go to jail  
Took a purse with the gold watch but I can't make bail  
Yeah its sad, but I did the crime, I except the time  
Just another broke hood nigga cheese up on my mind

Grab the nine, wanna make change, suckers lay it  
down  
Project Pat and them Three 6 niggas who get down  
'Bout that loot, let the bullets shoot get across your grill  
I'm a North Memphis dinner thief all about a meal

And I will still retaliate, all you ones that hate  
I'm a rider for Hypnotize, move or wrapped in tape  
A survivor so realize, catchin' you on late  
In the bushes don't be surprise, you gon' meet your  
fate

Where dem gang, gang signs  
(Show ya golds, show ya golds)
