Hoes getting nothing but some of this nutting  
Soft baby esophagus bitch you give me something

I'm with them killas hanging out and we ain't scared  
Just like my nigga down in Dallas man we already  
Swinging in work drink that purple with that erky-jerk

My grill is gold and I smile but ain't shit funny  
Like U.G.K. we be hustling for that dirty money  
We got them hoes that are pros shaking big booties  
Down with they man getting that dough doing their

Most niggas love purple cert I prefer yellow  
We been on this, on the town since the 70's  
Some trill players out the south is who we be's
