

Project Pat "Tower Of Lust"

Visit "[Tower Of Lust](#)" on MotoLyrics.com

The night I am feeling drowsy,
Purity of the thoughts,
Tender skin on white pillows,
You pull me back to our dreamlands,
An island of love,
In and out.
I see you - I feel you,
Movements of ecstasy,
We fuse together,
Close embraced,
Praying for eternity.
Eyes like stars,
I feel your warmth,
Do you feel mine,
Your odour - like a drug for me,
You soak me up,
Our minds are free,
Wine on the blanket,
Is this reality,
In and out.
I see you - I love you,
Movements of ecstasy,
We fuse together,
Close embraced,
Praying for eternity.
