You pushed the button
We heard your call
Again and again
What is wrong with you
My love?

Too much to do - too much to take
Too fast to stay - much more to get
Nothing to reach - no chance to see
No time to lose
Better not feel - the cold inside
Just kills another child
Too much to do - too much to take
Too fast to stay - much more to get
Nothing to reach - no chance to see
No time to lose - better not feel

What is wrong with you, my love?
You left home at dawn
A misty cold morning long ago
Was the beginning of a dream
A nightmare yet - but still a dream
Of frozen stars and blood like ice
Left behind in the darkness
Exists no time
A dream of freedom, peace and love
Wake up - your nightmare became alive
The past drops into the future
Present feels like death without your love
Too much to do - too much to take
Too fast to stay - much more to get
Nothing to reach - no chance to see
No time to lose
Better not feel - the cold inside
Just kills another child
Just kills another child

What is wrong with you, my love?
You left home at dawn
A misty cold morning long ago
Was the beginning of a dream
A nightmare yet - but still a dream

Of frozen stars and blood like ice
Left behind in the darkness
Exists no time
A dream of freedom, peace and love
Wake up - your nightmare became alive
The past drops into the future
Present feels like death without your love

What is wrong with you, my love?
You left home at dawn
