Help me
Help me
Eternity
Wandering about
Endless
Where is the light?
Soulcage

Help me
No way out
This is hell
This is hell
This is hell

I didn't want to be here
I'm still alive alive
Get your hands off my possession
I want my money back

Rotating infinity
Eternal alteration
Help me
I didn't want to be here
I'm still alive alive
Get your hands off my possession
I want my money back

Rotating infinity
Eternal alteration
