First there is an ocean  
Then there comes a storm  
Then the earth is rising  
Out of the deep blue

Yes and no are fighting  
And their waves are what you feel  
Like this it may be better  
Like that it may be worse

Then a new beginning  
To feel if it was worth it  
Then the first movements  
Within this creation

To test its borders  
And to prove the ways  
And then a new beginning  
To see if it was right

Then an ego evolves  
And proclaims itself a king  
Anchored in time

It is easy to lose the thought  
the thought without emotion  
Is what is causing pain

And as I feel pain for what they do  
I have to shout, I am

And as I feel pain for what they do  
I have to shout, I am

And as I feel pain for what they do  
I have to shout, I am

I am
