First there is an ocean
Then there comes a storm
Then the earth is rising
Out of the deep blue

Yes and no are fighting
And their waves are what you feel
Like this it may be better
Like that it may be worse

Then a new beginning
To feel if it was worth it
Then the first movements
Within this creation

To test its borders
And to prove the ways
And then a new beginning
To see if it was right

Then an ego evolves
And proclaims itself a king
Anchored in time

It is easy to lose the thought
the thought without emotion
Is what is causing pain

And as I feel pain for what they do
I have to shout, I am

And as I feel pain for what they do
I have to shout, I am

And as I feel pain for what they do
I have to shout, I am

I am
