Your decay

Rape me, take me, end me

This is fault in the system of your own decay

You human waste

Lure this pain

Awake this rain

Rape me

Take me

End me

Make me crawl on to you

Touch my life

Live your live

Take this life

Carnation of the flesh, I am for you you are my scream,
you are the one

Take this life and be my god

My decay, my decay, my own decay

This is fault in the system of your own decay

You human waste

Lure this pain

Awake this rain
