Edens whore  
Slave of the pain  
Prison of flesh  
Dirty  
Lascivious  
Inbred fear

Her soul is infected

Her soul in the prison of flesh  
Rips her flesh  
Just to get out  
Just to let her out of her lust  
Just to get away from the pain  
Just to get silence  
Just to cut her soul away  
Just to rip tears away  
Just to make lust worse  
Deepless desire  
So waek  
So filthy  
So sinful, playful  
Pain

My mouth in your ear  
Your ear in my eye  
Your eye in my mouth  
Your soul within

This is my own personal reality tonight, don't you see?

You are my personal reality
