Pressure of my vengeange  
A star lit by my wrath  
Our race - superior  
Lift up thine spirit  
to higher depths

The weight of your sins  
Keep you down  
Pressed to the ground  
Beaten onto the dust

The weight of your hate  
Dims the vision  
Sweet tears of joy  
bleed from your veins

Downwards

pleasant thoughts  
can be decieving  
Leading you towards  
this temple of flesh and  
light

Stand alone on the edge  
Of this void and emptiness

The cities, the lights,  
these lifes  
The ghosts in the machine

This Pressure binds all of  
life  
into a hollow shell,  
imitating lesser gods

Unleashing a revolution  
Offering another solution  
Man made god  
to sweep away the errors
