Beyond the dark winds of fear
Body and soul are no longer as one
Cremations and sacrifices
The gathering of dark souls
The mortuary of no lies
Belongs to the disciples
Pray for longer life
To obey the evil signs
Massacre beyond the cemetery
Winds of frozen souls
Whispers in the cold nights
Back to the mortuary, back

The mortuary of no lies
Belongs to the disciples
Pray for longer life
To obey the evil signs
Beyond the dark winds of fear
Body and soul are no longer as one
Cremations and sacrifices
The gathering of dark souls

Sabbath in the mortuary
Candles are burning

Corpses of the massacre
Sabbath, Sabbath of Death

The mortuary of no lies
Belongs to the disciples
Pray for longer life
To obey the evil signs

Illusions of cremated flesh
Suffocated throats awaits
No longer truth will tell
Prepare for the ultimate dawn
Gathering their souls in greed
They'll all be dead by dawn
Massacre beyond the cemetery
Winds of frozen souls

Whispers in the cold nights
Back to the mortuary, back
Illusions of cremated flesh
Suffocated throats awaits
No longer truth will tell
Prepare for the ultimate dawn
Massacre winds of the frozen souls
