Love my baby in the afternoon,  
But she's crying, crying  
Told my baby in the afternoon,  
But she don't like it she don't like it  
Baby used to love me so

Baby I apologize  
For telling them dirty lies  
I had my fun but now it's done  
Baby I apologize

Love you in the morning in the evening too  
But she won't do what I want to  
Kicked me out of my own front room  
For my lyen' my dirty lyin'

Baby I apologize  
For telling them dirty lies  
I had my fun but now it's done  
Baby I apologize

You know my darling  
I was a broken man  
All my dreams had fell apart  
And then a voice from above

Told me the truth of the world we live  
And my darling, I'd just like to say one more time  
Please come back

Baby I apologize  
For telling them dirty lies  
I had my fun but now it's done  
Baby I apologize

Love you in the morning in the evening too  
But she won't do what I want to  
Kicked me out of my own front room  
For my lyin' my dirty lyin'  
Baby used to love me so

Baby I apologize  
For telling them dirty lies  
I had my fun but now it's done  
Baby I apologize

Baby I apologize  
For telling them dirty lies  
I had my fun but now it's done  
Baby I apologize
