It's not supposed to be like this.  
This wasn't how I had it all mapped out.  
It seems as though every person in this world just lets  
me down.  
It's not supposed to happen like this, where do I go  
from here.  
Seventeen and I'm fearing for my life and I don't know  
if I'll make it out alive.

Take a step back and look at what you've done with  
your life.  
Are you proud of who you become?  
What makes you better than me?  
Is it the fact you can lie through your teeth?  
You're a fake, you're a cowered and I wont let you live  
this down.  
You will never live this down.  
I have tried to make the best of my life.  
I have tried, but I only let myself down.  
I have tried. I only let myself down.

I can't stand to look in the mirror, I can't stand who I  
am.  
I'm so uncomfortable in my own skin, I shouldn't feel  
like this.  
I don't know what I'm doing with my life, I don't know  
where I stand.  
What am I fighting for?  
I'm fighting for  
THIS, IS, MY.  
This is my chance to prove myself.  
THAT, I.  
I am worth the effort, I'm worth the struggle.  
I've heard it time and time again you wont amount to  
anything I pushed my self,  
I made it this far.  
Nothing can stop me now if I am willing, you can't stop  
me now.  
Stop me now.  
You can't stop me now.  
You will pay for your ignorance and self-absorption,

you will pay for everything.  
You will pay for your ignorance and self-absorption,  
you will pay for everything you did
