Why do you grieve?

Try and believe

Life is always sunshine

When the heart beats true

Banish your fears

Smile through your tears

When youre sad

It makes me feel the same as you...

Come to me my melancholy baby

Cuddle up and dont be blue

All your fears are foolish fancy, maybe

You know, dear, that Im in love with you;

Every cloud must have a silver lining

Wait until the sun shines through

Come on and smile, my honey dear,

While I kiss away each tear

Or else I shall be melancholy too...
