The song a robin sings,
Through years of endless springs,
The murmur of a brook at evening tides.
That ripples through a nook where two lovers hide.
That great symphonic theme,
That's Stella by starlight,
And not a dream,
My heart and I agree,
She's everything on this earth to me.
That great symphonic theme,
That's Stella by starlight,
And not a dream,
My heart and i agree,
She's everything on this earth to me.
