Ladies and gentlemen
Presenting the outrageous
IÂ'm music without limelight
A guitarist without stages
IÂ'm a Hells Angel without the Harley Davidson
YouÂ're a golden state warrior
Without Antawn Jamison
IÂ'm your last laugh without a punch line
IÂ'm a fistfight in your high school halls at lunchtime
IÂ'm dangerous like car wrecks without the drunk
driver
IÂ'm that island that traps you and votes you off like
survivor
IÂ'm MacGyver without a red switchblade
IÂ'm man made
IÂ'm graffiti on the walls without the aerosol spray
IÂ'm a 30-second delay without the time limit
IÂ'm a shark-infested ocean, I dare you to dive in it
IÂ'm that gold chain ready to be snatched from your
neck
IÂ'm that AIDS virus when you donÂ't practice safe sex
IÂ'm that hole in your latex that made your whole world
crash
The most dangerous 3-letter word is YAS

[Chorus]

Somebody back-up
ThereÂ's no room to stand up
Stop and throw your hands up

Nobody can do it like this
Somebody back-up
ThereÂ's no room to stand up
Stop and throw your hands up
LetÂ's get it on like this

IÂ'm your last bit of oxygen
IÂ'm Waco Texas
IÂ'm a 13-year-old kid stealing your Lexus
IÂ'm a trilogy without the second and third sequels
IÂ'm a crash test dummy without the smashed up
vehicle

Iâ€™m everything you dream of
Iâ€™m life without death
Iâ€™m a respirator holding on to your last breath
Iâ€™m Bill Gatesâ€™ Microsoft without Silicon Valley
Iâ€™m a natural born killer without Mickey or Mallory
Youâ€™re a chair being thrown around at a Bobby Knight
practice
Iâ€™m a cross between rival gangs and celebrity death
matches
I attack this like pythons, Iâ€™m a living icon
You wanna see the apocalypse, then turn my mic on

[Chorus (2X)]

1,2,1,2 Iâ€™m a shark-infested ocean, I dare you to dive
in it *[4X]*

[Chorus (4X)]
