Jump, jump, jump, freeze
Jump, jump, jump, freeze
Jump, jump, jump, freeze
Jump, jump, give me room to breathe

Jump, jump, jump, freeze
Jump, jump, jump, freeze
Jump, jump, jump, freeze
Jump, jump, give me room to breathe

Ha, ha, ha, ha
Ha, ha, ha, ha
Give me room to breathe
Give me room to breathe

Can't handle the pressure
Ha, ha, ha, ha
Can't handle the truth
Ha, ha, ha, ha

Can't handle the pressure
Give me room to breathe
Can't handle the truth
Give me room to breathe

If I was your last breath left, I would suck it in
If you were claustrophobic, I'd be your last bit of
oxygen
If I was a mic, I'd give you feed back believe that
Somebody give me room to breathe, so ease back

If I was your number one fan, I'd be the kind that stalks
you
If I was a stranger, I'd be the kind you shouldn't talk to
Listen, nobody can match this 'cause I make crowds do
back flips
Come on

Jump, jump, jump, freeze
Jump, jump, jump, freeze
Jump, jump, jump, freeze
Jump, jump, give me room to breathe

Jump, jump, jump, freeze
Jump, jump, jump, freeze
Jump, jump, jump, freeze
Jump, jump, give me room to breathe

If I was your last breath, I would hold it in
If I was religion, I'd be the seven deadly sins
If I was a stage, I'd make the crowd flip
I'm the first kid alive that was born inside a mosh pit

If I was time, then I would stand still
If I was depressed, I'd be the type that makes a man
kill
'Cause I will, yas drops the anvil you come around
showing no skills
Come on

Jump, jump, jump, freeze
Jump, jump, jump, freeze
Jump, jump, jump, freeze
Jump, jump, give me room to breathe

Jump, jump, jump, freeze
Jump, jump, jump, freeze
Jump, jump, jump, freeze
Jump, jump, give me room to breathe

Jump, jump, jump, freeze
Jump, jump, jump, freeze
Jump, jump, jump, freeze
Jump, jump, give me room to breathe

Jump, jump, jump, freeze
Jump, jump, jump, freeze
Jump, jump, jump, freeze
Jump, jump, give me room to breathe

Get up, so I got to rock the place
Stand up, so I got to rock the place
Stand up, so I got to rock the place
Stand up, so I got to rock the place

Stand up, so I got to rock the place
Stand up, so I got to rock the place
Stand up, so I got to rock the place

Jump, jump, jump, freeze
Jump, jump, jump, freeze
Jump, jump, jump, freeze
Jump, jump, give me room to breathe

Jump, jump, jump, freeze
Jump, jump, jump, freeze
Jump, jump, jump, freeze
Jump, jump, give me room to breathe

Can't handle the pressure
Ha, ha, ha, ha
Can't handle the truth
Ha, ha, ha, ha

Can't handle the pressure
Give me room to breathe
Can't handle the truth
Give me room to breathe

Jump, jump, you got to give me room to breathe
Jump, jump, you got to give me room to breathe
Jump, jump, you got to give me room to breathe
Jump, jump, you got to give me room to breathe
