We aint got no time....to worry
aint got no time....to worry
aint got no time....to worry
about them little things that bring me down
bring me down noooo no
aint got no time....to worry
about them little things that bring me down
bring me down noooo no
oh yes I think
oh yes I think
bout them irie sensations
oh yes I think
bout them positive vibrations
oh yes I think
bout them irie sensations
oh yes I think
about them good vibes
I can see lights
and I can see lights
(look at them)
I can see lights (look at them) from far far away
ohhhh ohh
oh yes I think
oh yes I think
bout them irie sensations
oh yes I think
bout them positive vibrations
oh yes I think
bout them irie sensations
oh yes I think
about them good vibes
Nothin, nothin can get in my way
for what I have planned for this day
I open my eyes to this life I am living
tryin to forget all thats deceiving
everywhere I go problems surround
I'm just tryin to keep my fuckin feet on the ground
the sinse sensations in my mind
heres a fucking hit for all mankind
DUB IT !!!!
