Let me tell you  
What went on last night  
You were drunk then  
You may not remember right  
The night started out, just like any other  
while getting wasted together, laughing at each other  
Then you got this  
Wild look in your eye  
Yelling the cuss words  
Middle fingers at the sky  
When you get this rage so built up inside  
It only happens when you're drunk and a mile high  
You wonder why there's pictures on the wall  
You wonder why you're laughing at them all  
You got so drunk that night  
You couldn't control yourself  
And that is whhhhyyy you ended up in jail (repeat 2x)  
I can't believe  
You can't remember  
Sittin' in the hallway  
Pullin that lever  
We all had to get up  
And go outside  
Then the cops came  
And they took you for a ride  
Then you got this  
Wild look in your eye  
Yelling the cuss words  
Middle fingers at the sky  
When you get this rage so built up inside  
It only happens when you're drunk and a mile high  
You wonder why there's pictures on the wall  
You wonder why you're laughing at them all  
You got so drunk that night  
You couldn't control yourself  
And that is whhhhhyyyy you ended up in jail (repeat 2x)  
You wonder why there's pictures on the wall  
You wonder why you're laughing at them all  
You got so drunk that night  
You couldn't control yourself  
And that is whhhhhyyyy you ended up in jail

Up in jail (REPEAT)
