Jenny ringtone on your mobile phone  
Oh please  
Don't make me feel this way  
Not right now  
But I can see it in your face  
And I can tell you  
What you mean to me  
But I'm afraid to  
Cause you might not agree  
And I imagine that you heard  
Cause I don't want to be the one to tell it first  
Oh I, I, I,  
Oh I, I, I,  
I've never seen you like this  
Oh I, I, I,  
Oh I, I, I,  
Wanna give you one last kiss  
Oh see  
Things from my perspective  
In many ways  
It was my first time too  
So don't hate me  
Cause I'm that fool  
I never meant to  
Be that cruel  
And I imagine what you think  
I prey to god that your  
heart doesn't sting  
I don't really wanna make things worse  
This is the only way  
I can keep from bursting  
I wish you could see me  
Why don't you look at me  
I can't call you on the phone  
It's been this long  
And we're so remote  
So behave babe  
I know your just fine  
You haven't escaped me  
Cause in this world I'm blind
