Come baby baby don't say those words
I can't take much more this pain no I don't deserve
No no no
Come baby baby we can work it out
There's no need to fuss or shout
No no no
Come on baby it's just your mind
Search down in your heart and you might find
What your lookin for
Come on baby don't stay away
I can't much of this nooo it'll be okay
But I don't wanna know
Girls I'm beggin darlin please to let me in
Well I don't wanna know
Girls I'm on my hands and knees is this the end
Well I don't wanna know
But I'm beggin darlin please to let me in
But I'm on my hands and knees... is this the end
Come on baby don't stay away
I can't much of this what did I say
No no ooo
Come on darling don't stay away
I know everything will be okay
Yea yea yea
Come on darling what did I do
I don't wanna spend my life without you
No no no
Come on darlin we can get away
Forget about all the wrong things that I say
But I don't wanna know
Girls I'm beggin darlin please to let me in
Well I don't wanna know
But I'm on my hands and knees is this the end
Well I don't wanna know
But I'm beggin darlin please to let me in
Well I don't wanna know
But I'm on my hands and knees... is this the end
But I don't wanna know
But I'm beggin darlin please to let me in
Well I don't wanna know
But I'm on my hands and knees is this the end

Well I don't wanna know
But I'm beggin darlin please to let me in
And I don't wanna know
But I'm on my hands and kneees... is this the end...
Well I think so
