I said, smoke, smoke, smoke
(Oh yeah)
Smoke that sinsemilla
I said smoooooooooke, I said smoooooooooke
I smoke that sinsemilla
(Yeah, yeah)
We going down, down, down on the east side of town
We going down, down down where there's parties all
around
We be 'illin, chillin' at Mike E's house
We be smokin' some ganja in praise of Eek A Mouse
I don't want to live no where else
So yes just keep me up in s.c.
But I will take care of myself
Oh yes the E.S.C. is the place to be
Oh yes the E.S.C. who has the best Sinse
I said smoke, smoke, smoke
(Oh yeah)
Smoke that sinsemilla
I said smoooooooooke, I said smoooooooooke
Smoke that sinsemilla
(Yeah yeah)
I said don't be surprised if ya' smoke a little Thai
But the friendly neighbor with the watchful eye
Decides to spy
but he picks up the phone
and the police come by
Well they take you to the pen
And you start to cry
You look up to the Lord and say
"Why, God, why...did I smoke that Thai
Well I'll tell you why...
I said smoke, smoke, smoke
(Oh yeah)
Smoke that Sinsemilla
I said smoooooooooke, I said smoooooooooke
Smoke that sinsemilla
(Yeah yeah)
Yes, yes, I don't smoke to get high
How about smoking some of my Thai
You know that I am always straight

When I smoke, I smoke to meditate
When are you gonna pass that Law
So I can plant some on my lawn
I like to drink it in my tea
And bake it in my brownie
I like to drink it in my tea
Bbbake it in my brownieeeee.....
(Yeah yeah, woah yeah)
Yes, I got some Ziggie-Ziggie Zags for my fat sack
I got some Ziggie-Ziggie Zags for my fat sack
I got some Ziggie-Ziggie Zags for my fat sack
I got some Ziggie-Ziggie Zags for my fat sack
I got some Ziggie-Ziggie Zags for my fat sack
I got some Ziggie-Ziggie Zags for my fat sack
(Woah yeah)
I got some Ziggie-Ziggie Zags for my fat sack
(Woah yeah)
We rollin' 1 paper, 2 paper, 3 paper J

We smoking 1 paper, 2 paper, 3 paper J
We rollin' 1 paper, 2 paper, 3 paper J
We rollin' 1 paper, 2 paper, 3 paper J
