I say hello to you, my friend  
I?m not the one  
(You think I am)  
You know I?m sixteen and a half this year  
I could grow up, go insane

They say they?re happy  
I?m out of their life and I agree  
My enemy is me in me  
But we could share

Now in pieces as you are  
Couldn?t formalize  
At least you understand  
When I say

Hey relax  
Just give into my plans  
Say stand, give up  
And get into catastrophe

Say stand  
I say I?m losing  
I say I?m losing

Your beautiful arms soaring  
(You?re beautiful, I?m sorry)  
Is my grief worth nothing?  
I get used to living so proud

Always relax  
Just give into my plans  
Say stand, give up  
And get into catastrophe

Say stand

I?m losing quick at something  
I stay but leave you in  
They?re alive but I?m not in it

Say

The season's ending  
The season's ending now  
The season's ending deep  
The season's ending deep inside
