In the sand, in the sun you can turn around
And then we will come undone
I can't feel you
Unreal- real Im really scared
I can't talk to anyone
In the camera eye
Youre such a phenomenon
I can't deal
Unreal- real Im really scared
Enemy of myself
Don't believe in you
Telling me what you think, don't believe you know
what's right
Megaphobe
That's what I said
Megaphobe
Get it in your head
Censored in my savoir faire
Ive gone on too long without any solid air
Youre unfair, so unfair
Voyeur, voyeur
You stare
Its everything you wanted
So why are you still haunted ?
Enemy of myself
Don't believe in you
Telling me what you think, don't believe you know
what's right
Megaphobe
That's what I said
Megaphobe
Get it in your head
Megaphobe
That's what I said
Megaphobe
Get it in your head
Head, Head, head.
