Your old man got mad when I told him we were leaving
He cursed and he raged and he swore at the ceiling He
called you his child, said honey get wise to his game
He'll get you in trouble, I know it, those bums are all the
same There's a Greyhound outside in the lane, it's
waiting for us So tell him goodbye, we gotta go west on
that bus And it's all over now Don't you worry no more
Gonna go west to the sea The Greyhound is swaying
And the radio's playing Some blues for baby and me
And the highway looks like it never did Lord, it looks so
sweet and so free And I can't forget that trip to the west
Singing blues for baby and me Saw your hands
trembling, your eyes opened in surprise It's ninety in
the shade, babe, and there ain't a cloud in the sky I
called you my child, said honey, now this is our game
There's two of us to play it and I'm happy to be home
again There's a Greyhound outside in the lane, it's
waiting for us So tell him Goodbye, we gotta go west on
that bus Repeat Chorus
