1st: Head down is just for losers  
And that's right when I don't abuse  
It get me out just to use me let's pull me  
In and don't give me up  
Go straight, enjoy me in this groovin'  
It's alright when my bros are foolin'  
Don't go away it's simply to use me  
Chew me up but don't spit me out

Pre-chorus: I'm just a man,  
Bad ass man and for shure I feel no shame  
Cause I'm not against you

Chorus: you know I can't get enough  
And I don't know the meaning  
Of the two words too much  
I prove myself within my hate  
Through every motherfucker in this human race  
When I'm feeling smaller  
When I'm feeling stronger  
And sometime I wonder  
This is a test to be safe

2nd: let it shine sun on mylife  
And I'm nothing without my daily strife  
Good health means no strife  
To strengthen my truths against  
Lies go straight, enjoy me in this groovin'  
It's alright when my bros are boomin'  
Don't go away it's simply to use me  
Chew me up but don't spit me out
