"All Knowing Force"

Nothing fucking worked no matter how hard I tried
Wanted all to be perfect, wanted it to be right

All knowing force
What is this worth?
All knowing
Forced to believe in
All knowing force
A time for growth
All knowing
Forced to believe in

I relinquish it all tapping into the signs
Now i've been let down disappointment at a height
Absorb the energy taking in the vibe
Doesn't need to be perfect
Expect to be right

Nothing fucking worked how hard I tried
Wanted it to be perfect
Expect to be right
