Time for reward it's been so hard just living here  
transcend the self remove the sight ending the fear  
escape the fault widen the gap  
Kill off the facts that are gonna hurt my mind that are  
gonna stain my soul another worldly device that may  
ruin me that are gonna  
Ruin my goals that are gonna take it's toll another  
worldly device another worldly release take back  
myself from this here self the  
Ones that you do must hold some truth to what you  
should I will perceive the will persists I must omit what's  
gonna hurt my mind  
What's gonna stain my soul another worldly device that  
may ruin me not gonna block my goals not gonna take  
it's toll another  
Worldly device another worldly device more wrong  
advice another broken promise
