

club thug/
all hyped up but never really done shit like that
millennium bug/
Cos of the drugs, sex and alcohol/
I'm in this to rip the clubs, decks and microphones/
In Tokyo and former Russia/
informers rush the set cus of we hollerin' anarchy like
Busta/
And cuss the downpressor men from the top of my
lungs/
till they start makin' sense and be droppin' their guns/
Once my crew gets to speak out they freak out/
this ain't supposed to leak out we ain't supposed to
sneak out/
The back door with black dough, Looptroop is like
WHOA/
conquerin' the world in two triple O's/
so: do panic, that bull shit can it/
my crew's a sickness and now we lettin' Japan have it/

Chorus:

You diggin' me man Looptroop is big in Japan/
teach the youths the truth and get 10 million fans/
World supremacy/ Cos to the m-i-c/

Cosmic:

It's the DVSG entrepreneurs/
cruisin' thru the underground systems to the Japanese
sewers/
Nobody boo us they more like: sayonara/
glad you came, it's the bomb! aight peace we feel
honored/
We stand as one build as one swarm/
and travel to the other side of the planet to perform/
I look to the east (why?) yo do I even have to mention it/
this western world got us trapped in censorship/
Cus everything that I say is political/
and everything that I write makes me a suspected
criminal/
Subliminal adertising behind enemy lines/
you'll find the message between the lines when you
rewind/
dlrow eht reuqnoc srekcoR poortpool/
Iriws ot eunitnoc lliw srekcoR poortpool/
starting point right here we just landed/
Looptroop's the illest virus now we're lettin' Japan have
it/

Chorus:

Diggin' me man: Looptroop big in Japan/
building a plan to get millions of fans/

Bla0 bla0 bo bo bo/ Supreme, Cosmic, Embee and
Promoe/
