All in vain
Trouble for the man is all the same for the most part
Would never have thought that I'd ever come close
To this inside
Equal in the fact that we all may pass at anytime
Illusion is gone new clarity of thought and the insight
Too serious now for clouded eyes, gonna look right
Im gonna tell you it's all in vain
The choice is made
Im gonna tell you there is no blame
Gonna tell you...

Were gonna roll
Right through it all
Its not affecting
It has no meaning
Detached from it all

All in vain
Subtle for the hands if not much pain for the lost heart
Remainder fo the being bold enough keep their heads
high
Keeping those away from what they know is a total lie
Im gonna tell you it's all in vain
Its all a game
Choice is made
There is no blame
Its all in vain
Im gonna tell you...

Were gonna roll
Right through it all
Its not affecting
It has no meaning
Detached from it all

Its not affecting
Our daily living
Detached from it all

All in vain

Gonna tell you it's all a game
Gonna tell you the choice is made
Gonna tell you it's all in vain

All in vain
Gonna tell you the choice is made
Gonna tell you it's all the same for the most part
Gonna tell you it's all in vain
Gonna tell you...

Were gonna roll
Right through it all
Its not affecting
It has no meaning
Detached from it all

Were gonna roll
Right through it all
Its not affecting
It has no meaing
Its not affecting
Our daily living
Were not expecting
Its not defeating
Detached from it all
