News of senseless aggression  
Paraded so soulfully  
to mention  
Journalistic sensation, quick reasons  
One vision to convey  
Stated so righteously  
Nothing more to say

The cause - no way to deny it  
No way to deny it  
Ignore them they won't disappear  
Ignore it it won't disappear  
The wrongs - no way to deny them  
No way to deny it  
News eating the nation

Editorialization (quick reasons to  
mention)  
Concluded too easily  
Repeated in history  
Someone's got to pay  
Nothing more to say

Censored reception  
Quick reasons to mention  
News of constant deception  
Soubites - all too clear  
Nothing more to say Left rights!  
The end is near!  
Someone's got to pay
