Where's New England in my life?
It's only cold when you sleep alone

Where's New England in my life?
It's only cold when you sleep alone

Where's New England in my life?
It's only cold when you sleep alone

Where's New England in my life?
It's only cold when you sleep alone

Pink chimneys in Maine couldn't keep me away.
Couldn't keep me away.

Where's New England in my life?
It's only cold when you sleep alone

Where's New England in my life?
It's only cold when you sleep alone

Where's New England in my life?
It's only cold when you sleep alone

Where's New England in my life?
It's only cold when you sleep alone

Pink chimneys in Maine couldn't keep me away.
Couldn't keep me away. They couldn't keep me away.

Pink chimneys in Maine couldn't keep me away.
Pink chimneys in Maine.
