i feeling magic,  
i feeling magic,  
i feeling magic,  
between u and i

i've been meaning to tell you,  
i got this feeling that wont subside,  
i look at you and i fantasise,  
your mine tonight,  
and now i've you in my sights,  
with thesee ...

hungry eyes,  
one look at you and i cant disguise i've got,  
hungry eyes,  
i feel the magic between and us and i've got,  
hungry eyes,  
one look at you and i cant disguise i've got,  
hungry eyes,  
i feel the magic between u and i

i feeling magic,  
i feeling magic,  
i feeling magic,  
between u and i

i wanna hold so hear me out  
i wanna show you what loves all about  
darling tonight,  
now i've got you in my sights,  
with these...

hungry eyes,  
one look at you and i cant disguise i've got,  
hungry eyes,  
i feel the magic between and us and i've got,  
hungry eyes,  
now i've got you in my sights with these,  
hungry eyes,  
now i need to take you by suprise,  
hungry eyes,

one look at you and i cant disguise i've got,  
hungry eyes,  
i feel the magic between u and i

i feeling magic,  
i feeling magic,  
i feeling magic,  
between u and i
