"See You There"

We all done much wrong
Temptation ever strong
No man is perfect out there

Just watch and pray
Tolerate the other man's way
No man is perfect out there

And I'll see you there
Where life is everlastin
Don't you dare
To leave (change) your beliefs
Move on!

Children of Zion
With grace of mighty Lion
Increase good music outhere
Message of graces
Uplift the human races
Cause no man is perfect out there
I'll see you there...
