Chant, chant make the wicked dem a run Chant, chant make we bun down babywrong Chant, chant make the wicked dem a run

Run, run yes their money ago run Tables dem a turn, goin' back to where belong Run, run yes their money ago run

We offer peace of mind

And liberation The more you try to tell dem The less dem understand Why dem actin' so Like dem a really like what's goin' on, We treat dem

Ignorance seed grows!

Leave the system you livin' in 'Cause in too much sins you driftin' in
