Here I am locked up in a cage  
They say I'll never get away  
I don't know why I feel so strange  
The sun beats down all day  
I walk the streets all night  
Must be the price I have to pay  
Yeah!

Oh! lipstick on the pillow  
I'm at the scene of the crime  
I see you bending like a willow  
I'm at the end of the line

Chorus:  
I walk alone in the shadows  
I walk alone in the night  
I wal alone in the shadows  
No Surrender

When darkness comes  
It's cold to the touch  
But this is not enough  
No!

Oh! lipstick on the pillow  
I'm on the scene of the crime  
Yeah! I had you followed  
Turn to leave you behind

Chorus (Repeat to end)
