I've gotta picture that's worth a thousand words
Comes up every night in a dream I can feel
Nocturnal angel running is through my veins
Fills me with ecstasy so warm and so real

Drown in the ocean, tossin' in my sleep
Her body motion is my fantasy

She's ridin' the rhythm
And I'm feelin' the heat
She's ridin' the rhythm
Running over me

I've got a movie that's playin' in my brain
FX, triple X again and again
Sihouettes across the screen, shadows of love
Slow grind in my mind is all I'm thinking of

White hot emotion turning into steam
Builds up the pressure, I need release

She's ridin' the rhythm
And I'm feelin' the heat
She's ridin' the rhythm
Running over me
Yeah!

White hot emotion turning into steam
Builds up the pressure, I need release

She's ridin' the rhythm
And I'm feelin' the heat
She's ridin' the rhythm
Running over me
Yeah!

She's ridin' the rhythm
And I'm feelin' the heat
She's ridin' the rhythm
Running over me
Yeah!
