Contemplating all my wrongs
intercepting all my thoughts
locked inside your fragile walls
you don't know me
you don't own my soul
did you think i'd give it up
are you crazy
loose what i've become
check my tone you've pissed me off
i don't know you you
don't know me

yeah yeah oh yeah
so you wanna get loud with me
so you wanna throw down with me
so ya wanna go
yeah yeah oh yeah
so you wanna get loud with me
so you wanna throw down with me
so ya wanna go

anticipating all the cost feel
the weight of all i've lost
then you place me under oath
you don't know me
you don't own my soul
take your shots its all been done
your so crazy
sitting on your throne
check my tone you've pissed me off
i don't know you
you don't know me

yeah yeah oh yeah
So you wanna get loud with me
so you wanna throw down with me
so ya wanna go
yeah yeah oh yeah
so you wanna get loud with me
so you wanna throw down with me
so ya wanna go
i see angels all around me i see angels you can't touch

me

yeah yeah oh yeah
so you wanna get loud with me
so you wanna throw down
with me so ya wanna go
yeah yeah oh yeah
so you wanna get loud with me
so you wanna throw down with me
so ya wanna go
