I like the little things you do  
i like the way your body moves  
i like the way you make me go  
oh so crazy

i love the way you look at me  
you standing bangin' baby please  
you got me falling on my knees  
beggin' lady

i love the way you move  
say what  
i love the way you shake that butt  
i love it when you blow me up  
girl you rollin' with the prom king

i love it when you move  
say what  
i love the way you shake that butt  
i love it when you blow me up  
girl you rollin' with the prom king

can you do it  
can you do it  
can you do it

so this is what im gonna do  
im gonna make you drop  
and fall in two  
im gonna make you chase the brother who  
drives you crazy  
so come on baby  
follow through  
i know you really want me to  
i know you really want me to  
drive you crazy

i love the way you move  
say what  
i love it when you shake that butt  
i love it when you blow me up

girl you rollin' with the prom king

i love the way you move  
say what  
i love it when you shake that butt  
i love it when you blow me up  
girl you rollin' with the prom king

can you do it  
can you do it  
can you do it

i want you  
(can you do it)  
i want you  
(so hot)  
i want you  
(can you feel it)  
i want you  
(NICE ASS!)  
i want you  
(nice work)  
i want you  
(yeah yeah yeah)  
i want you  
(right now)  
i want you

i love the way you move  
say what  
i love it when you shake that butt  
i love it when you blow me up  
girl you rollin' with the prom king

i love the way you move  
say what  
i love it when you shake that butt  
i love it when you blow me up  
girl you rollin' with the prom king

i love the way you move  
say what  
i love it when you shake that butt  
i love it when you blow me up  
girl you rollin' with the prom kings

i love the way you move  
say what  
i love it when you shake that butt  
i love it when you blow me up  
girl you rollin' with the prom kings
