Happy birthday  
this night has finally come  
it's time to have some fun  
we're all getting loose  
chasing baby blues

happy birthday  
its my birthday and it's your birthday  
so lets go party tonight  
happy birthday  
its my birthday and it's your birthday  
so lets go party tonight  
happy birthday  
you've got it  
we want it  
were gonna get up on it  
you've got it we want it  
were gonna get up on it

so now its time to think before you start to drink  
slide your trojan on before your horse is gone

happy birthday  
its my birthday and it's your birthday  
so lets go party tonight  
happy birthday  
its my birthday and it's your birthday  
so lets go party tonight  
happy birthday  
you've got it  
we want it  
were gonna get up on it  
you've got it we want it  
were gonna get up on it

first stop we hit the body shop  
next stop you know we're takin' body shots  
you know the prom kings make it last all night  
watch out gonna make your bodys rock watch out know  
we take ya to the top  
you know we make the party's hot  
show me your's i'll show you mine

Happy birthday

happy birthday  
its my birthday and it's your birthday  
so lets go party tonight  
happy birthday  
its my birthday and it's your birthday  
so lets go party tonight  
happy birthday  
you've got it  
we want it  
were gonna get up on it  
you've got it we want it  
were gonna get up on it
