So i been thinkin about what i need to do

Im scared of changing all those things we've made so

That i want to be the one you believe in
i want to be the love that you needing
i want to be the one, who'll never go away
and i want to be the life that you're leading
i want to be the air that you're breathing
i want to be the one who'll never go away.

It's Now im finding a reason
to hold on
'cause when i see your face I never feel alone
Im standing here and im waiting
im seein what we created to be as one
and i want you to know

That i want to be the one you believe in
i want to be the love that you needing
i want to be the one, who'll never go away
and i want to be the life that you're leading
i want to be the air that you're breathing
i want to be the one who'll never go away.

And Now i wanted you to know that ill never let you go
Now ill always hold you close for all of your days so
hear the words i say

I want to be the one x2
oh yeah!
That i want to be the one you believe in
i want to be the love that you needing
i want to be the one, who'll never go away
and i want to be the life that you're leading
i want to be the air that you're breathing
i want to be the one who'll never go away.
